This is an event that you and your guests will long recall – a display of wonder and delight – ***An evening of Sublime***.

Cirque Sublime

Cirque Sublime uses the following techniques to redefine the athletic and artistic limits of human performance. Some of the acts for your event are listed below.

Chinese Poles – These 6 artists will create an excitement like no other act. As Canada's only Chinese pole routine, this world class act has won 6 gold medals at festivals all over the world.

Silks - Contortion and strength define this graceful and beautiful act where an aerialist performs on tissue (fabric) high above the crowd.

Hoop - Performers use a stainless steel cylinder hoop to demonstrate breathtaking acrobatics.

Candle Opera – Creating a beautiful moment while using contortion and fire.

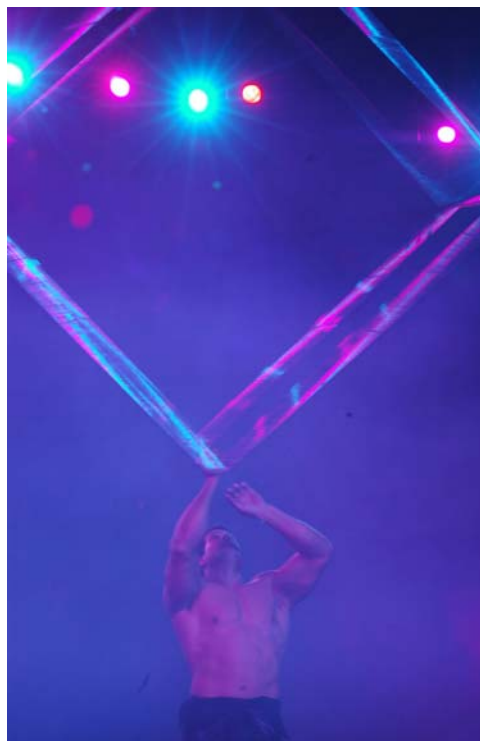

Hand balancing – Performing an incredible display of Precision and strength.

Equilibrium – A display of incredible movement and contortion like nothing you have ever seen performed. This artist has been working her craft for nearly 10 years as one of the strongest hand balancing performers to come out of china.

Acrobatic Cube – An incredible and most amazing act that defines strength and incredible agility. Our performer will create a unique visual while manipulating a 6 foot square stainless steel cube.

Hoop Diving – Another unique and creative routine that is only proposed by Cirque Sublime within Canada, this display of incredible acrobatics will amaze all those who witness.
